## **GTT present at SMM International Maritime show - HAMBURG 2014**

Paris – September 1<sup>st</sup>, 2014. GTT (Gaztransport & Technigaz ISIN FR0011726835 Euronext Paris: GTT) announce its participation in SMM Hamburg, from September 9<sup>th</sup> to 12<sup>th</sup> 2014.

Every two years, SMM, the world's leading maritime fair, opens its doors to the international maritime community. During four days, representatives of the global maritime industry and technical experts meet to discuss the future developments, and to find new partners. In 2012, SMM's 2100 exhibitors welcomed fifty thousand trade visitors.

This exhibition is a unique opportunity to gather energy transport professionals from all around the globe.

GTT is once again exhibiting and welcomes its visitors to its booth located in Hall B2.

SMM is going to be the opportunity to present to the entire maritime industry its LNG as a fuel solutions, its latest technologies and services, highlighting its new developments for Small Scale LNG carriers and LNG fuel Tanks.

Please visit us at our booth O.G. 101.2, Hall B, upper floor.

### **About GTT**

GTT (Gaztransport & Technigaz) is the world leader in cryogenic membrane containment systems used in the shipbuilding industry for the transport of LNG. For over 50 years, GTT has offered to its customers technologies which allow them to optimize storage space and reduce the construction and operation costs of ships or tanks equipped with these systems. GTT operates in four sectors: LNGCs (Liquefied Natural Gas Carriers), FPSOs (Floating Production Storage and Offloading units), FSRUs (Floating Storage and Regasification units) and onshore storage tanks.
