

## GTT signs a new Global Technical Services Agreement with Nakilat

**Paris – February 14<sup>th</sup>, 2022.** GTT announces the signature of a Technical Services Agreement (TSA) with the Qatari shipping and maritime company Nakilat. GTT will support Nakilat with the maintenance and operation of its fleet of 26 vessels, all equipped with [Mark III](#) or [NO96](#) technologies, developed by GTT.

This agreement includes GTT on-site technical assistance for inspection, maintenance, repairs, operations and engineering services. Nakilat will also benefit from access to the HEARS<sup>®1</sup> emergency hotline, which enables ship-owners and their crews to contact GTT's experts 24/7 to respond to operational issues.

**Philippe Berterottière, Chairman and CEO of GTT, said** *“We welcome the signature of this agreement with our partner Nakilat, which owns and operates a large fleet of vessels equipped with our Membrane technology. Our tailor-made support services, adapted to our customers' requirements, allow us to guarantee maximum efficiency and safety for vessels in operation.”*

### About GTT

GTT is a technological expert in containment systems with cryogenic membranes used to transport and store liquefied gases. For over 50 years, GTT has been designing and providing cutting-edge technologies for a better energy performance, which combine operational efficiency and safety, to equip LNG carriers, floating terminals, land storage, and multi-gas carriers. GTT also develops systems dedicated to the use of LNG as fuel, as well as a full range of services, including digital services in the field of Smart Shipping. The Group is also active in hydrogen through its subsidiary Elogen, which designs and assembles electrolyzers notably for the production of green hydrogen.

GTT is listed on Euronext Paris, Compartment A (ISIN FR0011726835 Euronext Paris: GTT) and is notably included in SBF 120 and MSCI Small Cap indices.
