GTT is attending Posidonia exhibition in Athens, June 4th - 8th, 2018

Paris – June 4th, 2018.

GTT is attending, once again, the Posidonia exhibition in Athens, Greece, from June 4th to 8th. A real meeting point for Greek shipyards and ship-owners, Posidonia is a must-attend key date for all the global players from the world's shipping industry.

When visiting GTT's booth, visitors can discover the latest technologies developed by GTT to meet the requirements of vessels powered by Liquefied Natural Gas (LNG). Company experts are on hand to present their technological innovations. GTT also presents its full range of services focused on the operational challenges experienced by customers throughout a vessel's life cycle.

During the exhibition, GTT invites visitors to attend conferences given by its new subsidiary Ascenz, "smart shipping" specialist, to discover our new services and solutions to ship-owners in the context of the environmental regulations.

To attend conferences:

GTT Booth, 3.525, Hall 3.

Wednesday 6th: 3 pm & Thursday 7th: 3 pm

To find out more about these technologies and services, visit GTT on June 4th – 8th
at Booth 3.525, Hall 3.

About GTT

GTT (Gaztransport & Technigaz) is an engineering company expert in containment systems with cryogenic membranes used to transport and store liquefied gas, in particular LNG (Liquefied Natural Gas). For over 50 years, GTT has been maintaining reliable relationships with all stakeholders of the gas industry (shipyards, shipowners, gas companies, terminal operators, classification societies). The company designs and provides technologies which combine operational efficiency and safety, to equip LNG carriers, floating terminals, and multi-gas carriers. GTT also develops solutions dedicated to land storage and to the use of LNG as fuel for the vessel propulsion, as well as a full range of services.

GTT is listed on Euronext Paris, Compartment A (ISIN FR0011726835 Euronext Paris: GTT) and is notably included in SBF 120 and MSCI Small Cap indices.
