**Cécile Arson, Chief Financial Officer of GTT, has received a French Finance & Management award**

Paris – 10 June. GTT, the world leader in the design of membrane containment systems for the maritime transportation and storage of LNG (Liquefied Natural Gas), is pleased to announce that Cécile Arson, GTT's Chief Financial Officer, has received the Finance & Management award for the Ile-de-France region by the French DFCG association (National CFO and Controllers Association). The ceremony was held on Monday, June 8<sup>th</sup>, at the Paris Ile-de-France Regional Chamber of Commerce and Industry.

This prize recognizes a Chief Financial Officer or a Controller of a regional company, for the pertinence of his/her managing methods and their results. It rewards the dynamic and innovative initiatives to implement modern and successful concepts as well as managing tools in the company. The Ile-de-France region was organizing for the first time the Finance & Management award, already established in the other regions of the DFCG association.

In front of a jury of 12 persons presided by Christian Mulliez, Executive Vice-President Administration and Finance of L'Oréal, Cécile Arson presented the IPO process that led to the listing of GTT in February 2014, and its consequences on the financial department and management methods of the company.

**About GTT**

GTT (Gaztransport & Technigaz) is the world leader in cryogenic membrane containment systems used for the transport and the storage of LNG (Liquefied Natural Gas).
