## **GTT presents its latest developments at Gastech**

**Paris - April 3<sup>rd</sup>, 2017.** GTT will be present at Gastech from 4 to 7 April 2017 - Booth 6150, Hall 6 - in Tokyo, Japan. During this event, which gathers every 18 months key players from the marine industry and the oil & gas sector, the company will present to visitors the latest projects developed in recent years. Throughout the show, GTT experts will answer questions related to the new requirements of the sector: the use of LNG as fuel and bunkering infrastructures, available services dedicated to ship management and cargo, and other topics.

At GTT's booth, visitors can discover the first American LNG bunkering barge, whose tank construction has now been completed. Based on the GTT design, this barge is the only one of its kind in North America.

A Key highlight of the event, GTT will unveil and preview its last technological innovation, specially designed for the transport and storage of LPG. With its experience in multi-gas ship storage, the company is now moving into the LPG segment. On this occasion, GTT invites visitors to attend conferences given by the designer of this new membrane containment system.

To attend conferences:

Makuhari Messe Exhibition Center, April 4-7 / **Booth 6150, Hall 6.**

Tuesday 4th - 4:00 pm // Wednesday 5th & Thursday 6th: 11:00 am + 4:00 pm

### **About GTT**

GTT (Gaztransport & Technigaz) is an engineering company expert in containment systems with cryogenic membranes used to transport and store liquefied gas, in particular LNG (Liquefied Natural Gas). For over 50 years, GTT has been maintaining reliable relationships with all stakeholders of the gas industry (shipyards, ship-owners, gas companies, terminal operators, classification societies). The company designs and provides technologies which combine operational efficiency and safety, to equip LNG carriers, floating terminals, and multi-gas carriers. GTT also develops solutions dedicated to land storage and to the use of LNG as fuel for the vessel propulsion, as well as a full range of services.

GTT is listed on Euronext Paris, Compartment A (ISIN FR0011726835 Euronext Paris: GTT) and is notably included in SBF 120 and MSCI Small Cap indices.
