## **GTT received the International Trophy for Quality 2016**

**Paris – May 9<sup>th</sup>, 2016.** The International Trophy for Quality 2016 was awarded to GTT by a vote of 7 500 companies from 90 different countries, members of the Global Trade Leaders' Club. This trophy is awarded annually to recognize companies from all sectors, distinguished by the quality of their products or their services.

The competitors are valued not only on the certifications they have obtained in terms of quality, including the consideration of the latest standards, but mainly on the customer's perception of the quality of their products and services, as well as the search for continuous improvement of various quality processes to ensure better customer satisfaction.

*« We are extremely proud to receive the prestigious International Trophy for Quality. This is a clear recognition of the constant quest for excellence of the GTT employees and for the “lean and fit” company model that we are developing”,* declared Philippe Berterottière, Chief Executive Officer of GTT.

### **About GTT**

GTT (Gaztransport & Technigaz) operates in the market of cryogenic membrane containment systems used for the transport and storage of liquefied gas, in particular LNG (Liquefied Natural Gas). For over 50 years, GTT has designed and offered to its customers technologies which allow them to optimise storage space and reduce the construction and operating costs of ships or tanks equipped with these systems. The liquefied gas market includes several types of vessels: LNG carriers, FSRUs (Floating Storage Regasification Units), FLNGs (Floating Liquefied Natural Gas vessels) and multi-gas carriers (in particular for ethane and LPG). The Company also provides solutions dedicated to onshore storage and to the use of LNG as fuel for vessel propulsion (and associated bunkering), as well as a broad range of high added value services for all stakeholders throughout the liquefied gas chain.
